Serving Arizona, California, Hawai'i, Nevada and the six US-affiliated Pacific Jurisdictions – Visit the website to find your nearest program.

Clinical Training

- ❖ Lectures and didactic seminars
- ❖ Workshops, seminars and hands-on clinical experience
- ❖ Local clinical consultation on all aspects of managing patient care
- ❖ Intensive clinical rotations, preceptorships and mini-residencies
- ❖ Technical assistance in quality HIV care

Consultation

PAETC provides resources to assist clinicians with difficult care decisions. Resources include treatment guidelines, slides, videos, and landmark journal articles. Teaching aides, such as curricula and slide sets on many clinical care topics are also available.

National HIV/AIDS Clinicians' Consultation Center
