Seats for Neighborhood Associations

Because they elect new leadership on a regular basis, the following organizations now have a designated seat on the CAG:

• Inner Sunset Park Neighbors
• Inner Sunset Merchants Association

People active in these organizations have been appointed to the CAG in the past and many remain on the CAG. However, over time their affiliations have changed.
CAG Organizational Structure

New Members

To ensure a variety of diverse neighborhood perspectives and a citywide perspective on UCSF’s impacts and footprint, UCSF strives to include a wide range of neighborhood organizations and civic leaders with an emphasis on those who live and/or work near UCSF campus sites.
