Initial Study

An Initial Study was available online as of February 6, 2017 at http://campusplanning.ucsf.edu/. It identifies the scope and content of the environmental information that will be included in the Draft EIR. You can obtain a paper version of the Initial Study by calling 415.476.2911. To give written feedback on the Initial Study, please write to Diane Wong, UCSF Campus Planning, Box 0286, San Francisco, CA 94143 or email her at EIR@planning.ucsf.edu by the end of the comment period, March 8, 2017. Publication of the Draft EIR is expected in Summer 2017. If you would like to receive notification of future meetings, please contact us at community@cgr.ucsf.edu or at 415.476.3206.
