

## SUMMARY OF CHANGES TO THE DRAFT 2014 LRDP REFLECTED IN THE FINAL 2014 LRDP

1. Population (including employee and enrollment numbers), gross square footage (gsf), and parking figures have been updated throughout the document for accuracy.
2. In response to community feedback, Section 3.1, LRDP Objective 1, item C, has been expanded to include 'potential noise generation' among the items that UCSF will be sensitive to when designing new buildings ("Design new buildings to be sensitive to the surrounding neighborhood and landscape, taking into account use, scale, potential noise generation, and density").
3. "Other support activities" has been added to Table 3: Predominant & Secondary Uses in Functional Zones, as a Predominant Use in the Support Functional Zone.
4. Text has been revised to reflect the demolition of the building at 374 Parnassus Avenue since publication of the Draft LRDP.
5. Reference to the formal title of the 1976 Regents Resolution has been added to Chapter 4 (*Designation of Open Space Reserve, Alteration of Campus Boundaries, Commitment of Houses to Residential Use, Authorization to Negotiate Sale of Properties and Commitment to Transportation Studies*).

7. In response to community feedback, language has been added to Chapter 4 to acknowledge that UCSF is exploring the possibility of locating a seed propagation nursery and a gathering space for trail maintenance volunteers in an area close to, but outside of, the Mount Sutro Open Space Reserve.
8. The boundary of the Parnassus Heights campus site has been corrected on all figures in Chapter 4 to more accurately depict the location of the campus site property line along Crestmont Drive.

10. The 0.6-acre Buchanan Dental Center was inadvertently omitted from the total acreage of all UCSF campus sites listed in the Draft LRDP. With the inclusion of the Buchanan Dental Center,

and the Mission Bay East Campus noted above, the total acreage of all UCSF campus sites is now 202.2 acres.
