While the Community Workshops are designed for maximum public feedback, we understand that members of the public may wish to speak this evening. In planning the agenda, CAG members set aside two separate public comment periods: early in the meeting, which is traditional at CAG meetings; and an additional one after the presentations and CAG discussion have occurred.

*UCSF Commitment to the Community*

- Will listen
- Will be honest and forthcoming
- Will be prepared with as much information as is available
- Will continue to commit to being a good neighbor
